7.5 No Member shall be disqualified from holding any club office by reason of any interest in any other club or concern. However, whenever a club Officer has a financial or personal interest in any matter(s) coming before the Executive Committee, including participation in events or disbursement of club funds, the Officer shall:

- (a)** Fully disclose the nature of the interest; and

(b) Recuse himself or herself from voting on the matter(s) if he or she believes that such interest may materially affect his or her ability to impartially vote on the matter(s) in good faith. If the Officer fails to recuse himself or herself from voting on the matter(s) despite having a potential conflict of interest that may materially affect his or her ability to impartially vote on the matter(s) in good faith, he or she may be barred from participation in any decision making on the matter(s), including any vote in connection therewith, by a majority vote of the other disinterested members of the Executive Committee.

7.6 Any vote involving a potential conflict of interest shall be approved only when a majority of disinterested Executive Committee officers determine that it is in the best interest of the club to do so. The Secretary shall record minutes of meetings where votes involving a potential conflict of interest are taken that shall record such disclosure, recursion, and rationale for approval. In the event that there are insufficient disinterested officers to constitute a quorum, then a vote of the Members shall be taken to decide the matter(s).
